

THE BEST LAWYERS IN AMERICA

2010

The 2010 edition is the sixteenth edition of *The Best Lawyers in America*. Since its inception in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence in the United States. Because *Best Lawyers* is based on more than 1.7 million evaluations on the legal abilities of lawyers by other leading lawyers in their specialties throughout the country, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Corporate Counsel* magazine has called *Best Lawyers* “the most respected referral list of attorneys in practice.”
