2006 Annual Edition

## Top Lawyers >> IN SOUTH FLORIDA

**METHODOLOGY: THE LIST YOU ARE** about to read is the original, definitive list of “lawyers’ lawyers” in South Florida. With rare exceptions, the attorneys on our list have been in practice for a minimum of 15 years. We rely upon the valued opinions of highly regarded attorneys, and in fact, they pick South Florida’s Top Lawyers. The criteria we use to compile our list began with a mailing to a selection of lawyers in South Florida asking whom they would recommend to a friend or family member in a variety of fields or areas of practice. We then took an initial list of approximately 1,200 lawyers who were mentioned most frequently in the responses, and in an effort to further narrow the field, had our list reviewed by other lawyers to cull it down to what we believe are the top lawyers in each area of practice. Note: *Attorneys listed may practice in multiple sub-specialties.* Space considerations allow us to list one or two practice areas only. The attorney may have additional scopes of expertise. We urge you therefore to contact the attorney and request further information. Here are the results, listed alphabetically. To look up Top Attorneys by practice areas, please see our Practice Area Directory in this issue.
